

# Do your kids know what they want to do when they graduate?

By the year 2000, most if not all the jobs in America are going to be specialized, high-tech and very competitive.

Join ABC News correspondent **Cokie Roberts** on **Friday, September 20, 1996 at 10:00 p.m. (ET)** for a look at ***School To Work***, a grassroots movement that bridges the gap between education and the real world.

See how our young adults can now enter the 21st century job market mature, motivated and prepared.
